Where Goodness Begins

DAIRY WHITENER

Prabhat Dairy Whitener is thicker, creamier and tastier. Make your morning tea more delightful with all the natural goodness and the pure taste of cow's milk. And what's more, use Prabhat Dairy Whitener to make your favourite sweetened milk mix and sweet dishes even more relishing.

"Prabhat milk is procured fresh from farmers. This milk is processed through bactofuge to remove almost all spores, somatic cells & bacteria, then this milk undergoes spray drying process to retain originality of milk in the powder."

SKIMMED MILK POWDER

Prabhat Skimmed Milk Powder is rich in protein, negligible fat and cholesterol. It is easy to dissolve and easy to digest. It helps you stay active all day through and maintain your fitness. What's more! Prabhat Skimmed Milk Powder is ideal for making thick and firm curd.

Prabhat Milk is procured fresh from farmers. This milk is antibiotic negative. It is processed through 'bacteria-clarification' which removes micro impurities as well as somatic cells, bacteria and retains the natural nutrients like calcium, Vitamin A & Vitamin D. This milk then undergoes an innovative spray drying process which retains the originality of the Milk.
